## Kafka Walks

### Take a Walk on the Kafka-Side

There is a Kafka-Feeling in some streets of Berlin-Steglitz - and I'd like to share it with my guests.

We have the pleasure to look at the house (from outside) where he lived 1923/24 and listen to "A Little Woman", a literary "monument" for his landlady.

Listen to beautiful texts by Dora Diamant, his last love. Look at trees which have seen him walking down the street ... with a milk-can ...

He said:

**Anyone who keeps the ability to see beauty never grows old.**

**\* ...who loved pineapple**
